IAB IMVE (TS//CEO)

Item: Freedom Convoy 2022

The following is an update, further to the meeting you had with IAB, CTD and ITAC yesterday.

Background / What

s.38

Assessment / So What

Members of Diagonon have stated that they hope that the demonstration results in a "January 6th" styled event - a reference to the US Capitol Hill riot – s.38

s.38

Members of Diagonon are using this event as a means to bring attention to their group, and plan to hand out stickers and cards to other demonstrators. s.38

s.38

Actions / What Next

IAB notes that while there are no overt plots or plans for violence, given the range of more extreme voices claiming to attend, it is possible that there may be an escalation of the situation based on actions from law enforcement.

Yesterday, ITAC released a Threat Highlight based on this reporting, to facilitate GoC awareness of the unfolding situation.

On a related note, the RCMP confirmed that yesterday s.38
